'cose semplici fatte bene'
(simple things done well)

Ground floor at Pappardelle.....

Osteria Pappardelle stands above all for simple things done well, at pace. A freshly squeezed fruit juice, a Musetti coffee with one of our delicious pastries, or a tasty open sandwich. Our pizzas are made from our own homemade sourdough and special passata tomato sauce, and our pasta and mussels are cooked fresh to order from the restaurant kitchen upstairs. We also have a well stocked bar with draught beer, cocktails, 15 different grappas and a wine list of over 45 bottles many available by the glass.

Why not come in and say 'Hello!' (Buongiorno!)
